### Penneshaw Ferry to LifeTime Private Retreats

- Depart the Ferry at Penneshaw and follow the main road towards Kingscote.
- Upon reaching a T junction turn right and after 100 metres turn left which (sign-posted to Parndana). You will then pass the airport on the left and after 1 km turn left and then immediately right, following the signs to Parndana (this is the Playford Highway). You will travel approximately 25 km to Parndana.
- Travel past Parndana and continue for approximately 4kms before turning right on to the Stokes Bay Road.
- Continue along Stokes Bay Road (mainly dirt road). After approximately 10km turn left at Pratts Rd and the sign to Lifetime Private Retreats. Continue along until you reach a T junction, which is the North Coast Road.
- Turn left, reaching LifeTime Private Retreats at Snelling Beach, after approximately 7 km.
- Each house is individually sign posted.
- You will pass the Lifetime sign on the left and then pass the STONE HOUSE entrance 500 metres further down on your left. The entrance to the CLIFF HOUSE is a further 500 metres on your right just over the top of the hill. If you continue climbing the next very steep hill all the way to the top and then look on the right, you will see the SKY HOUSE sign and entrance. Should you have any difficulties you should have mobile coverage on this hill and you will be able to call the office on 8559 2248 or 8559 2236.

Alternately, follow the map on the fold-out first page of the Kangaroo Island Visitor & Information Guide to Snelling's Beach.

The trip will take around 90 minutes. If you have any problems please call the LifeTime office on the Island on 08-8559 2248 but be aware that mobile phones receive very little coverage on the Island.

Please be careful when driving on Kangaroo Island as the roads can get quite slippery. Take corners very slowly and at dawn and dusk be aware of the native wildlife, who are often blinded by the lights of the car. Slow down, dip your lights and take your time.

We look forward to seeing you,

The LifeTime Team.
