Alternately, follow the map on the fold-out first page of the Kangaroo Island Visitor & Information Guide to Snelling's Beach.

The trip from airport will take around 50 - 55 minutes and from the ferry, allow 1.5hrs. Again, be aware that mobile phones receive limited coverage on the Island. **IMPORTANT DRIVING & SAFETY:** Please be careful when driving on Kangaroo Island as the roads can get quite slippery. Take corners very slowly, and we recommend you don't drive at dawn and dusk because of the native wildlife that often stray onto the roads. Just take your time and enjoy the island pace!
